

CHRISTMAS

WE WOULD LIKE TO TELL YOU ABOUT CHRISTMAS.

Christmas Day has been a federal holiday in the United States since 1870. People in the United States celebrate Christmas Day on December 25. The day celebrates Jesus Christ's birth. People decorate Christmas trees, decorate their homes, visit family or friends and exchange gifts.

The Christmas and holiday season begins around the end of November, the day after the U.S. holiday of Thanksgiving. Though Christmas decorations and music playing in stores sometimes extend into the period between Halloween and Thanksgiving.

Schools are closed during the period between Christmas and the New Year's Day holiday, which is a time commonly used to spend time with family.

The interior and exterior of houses are decorated during the weeks leading up to Christmas Eve. The Christmas tree usually stands centrally in the home, decorated with ornaments, tinsel and lights, with an angel or a star symbolizing the Star of Bethlehem at the top.

Christmas is favorite holiday in the American schools too.

Christmas Eve is popularly described as "the night before Christmas". Better known as Santa Claus, he visits homes while children are sleeping the night before Christmas morning.

Presents are most commonly opened on the morning of Christmas Day; other families choose to open presents on Christmas Eve, depending on family traditions. Usually children are allowed to play with their new toys after.

The traditional Christmas dinner usually features either roasted turkey with stuffing or roast beef and Yorkshire puddings. So much variety of sweet pastry with cinnamon and nutmeg are served on the dinner. Certain dishes such as casseroles and desserts are prepared with a family secret recipe. Fruits, nuts, cheeses and chocolates are enjoyed as snacks.
