Enjoy the poetry

When I wake up in the morning,
the first thing I want to do,
Is get myself dressed and go down to
the kitchen
to get myself some food.

Breakfast time!

I'm hungry!
Here's what I like the most:
Juice, cereal, melon,
and a piece of buttered toast.
Don't miss your breakfast!
Listen to what I say.
Now I have energy,
Enough to start my day.
When my mommy says,
"It's lunch time,
and today is a special treat.
We're driving downtown to meet your
friends
at a restaurant where we'll eat."

Lunch time!

At a restaurant!
I can order lunch just my size:
milk, a sandwich, fruit,
and a really fun surprise.
Eat right at lunch time.
Listen to what I say.
I need more energy
to get me through my day.
Now I've been playing all afternoon
with my friends in the park.
I know that I have to go home now,
I can tell because it's getting dark.

Dinner time!

I'm hungry!
I wonder what my mommy made:
chicken, rice, broccoli,
and a glass of lemonade.
Eat right at dinner.
Listen to what I say,
Building strong bodies, strength for
another day.
