Дорогой друг!

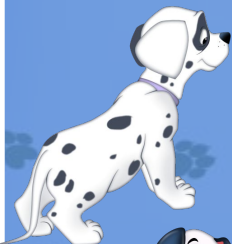

Далматинцы предлагают тебе посчитать.

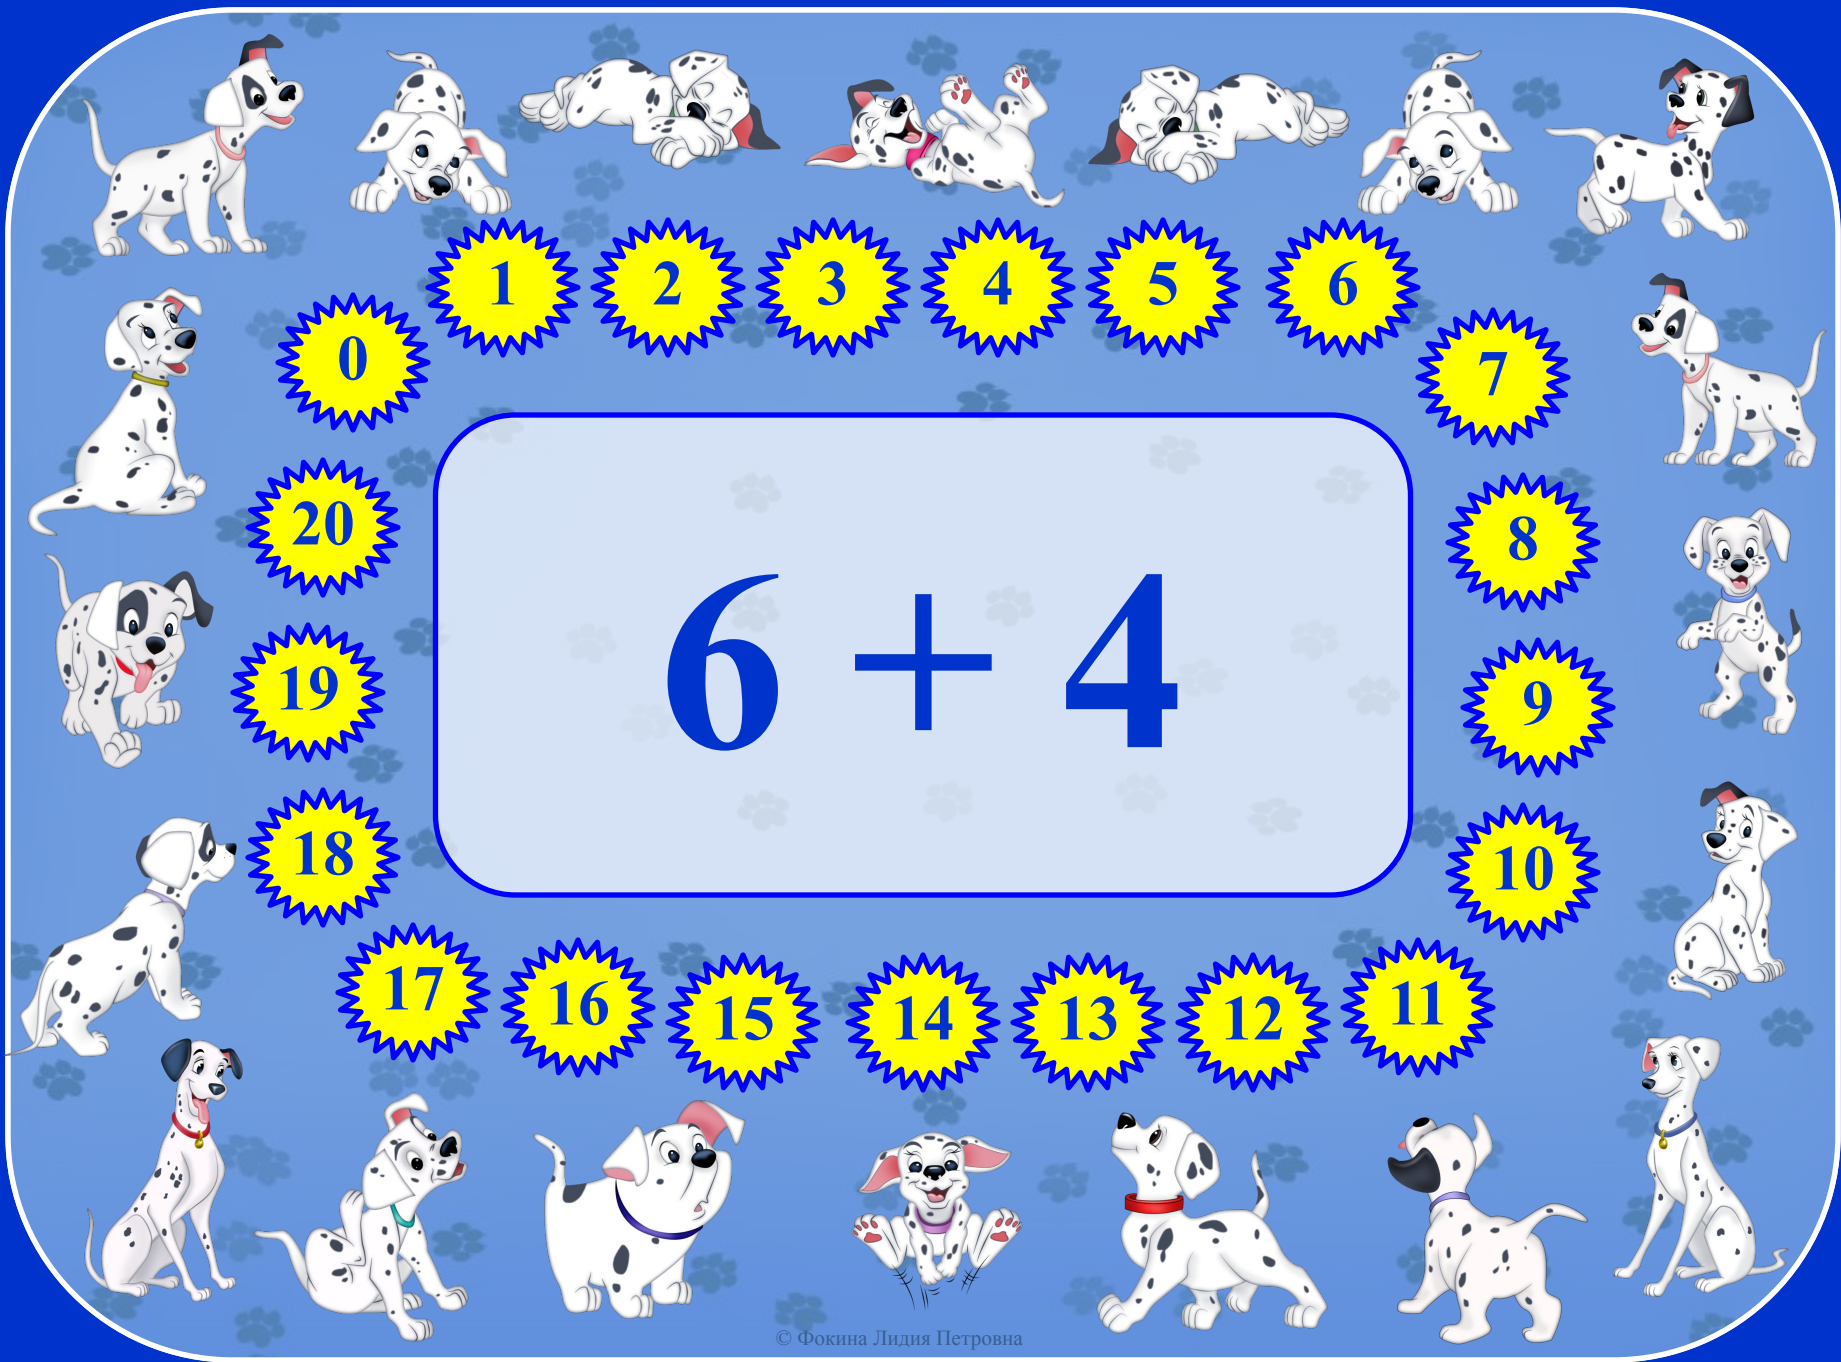

Считай и выбирай карточку с ответом,

если решишь верно,

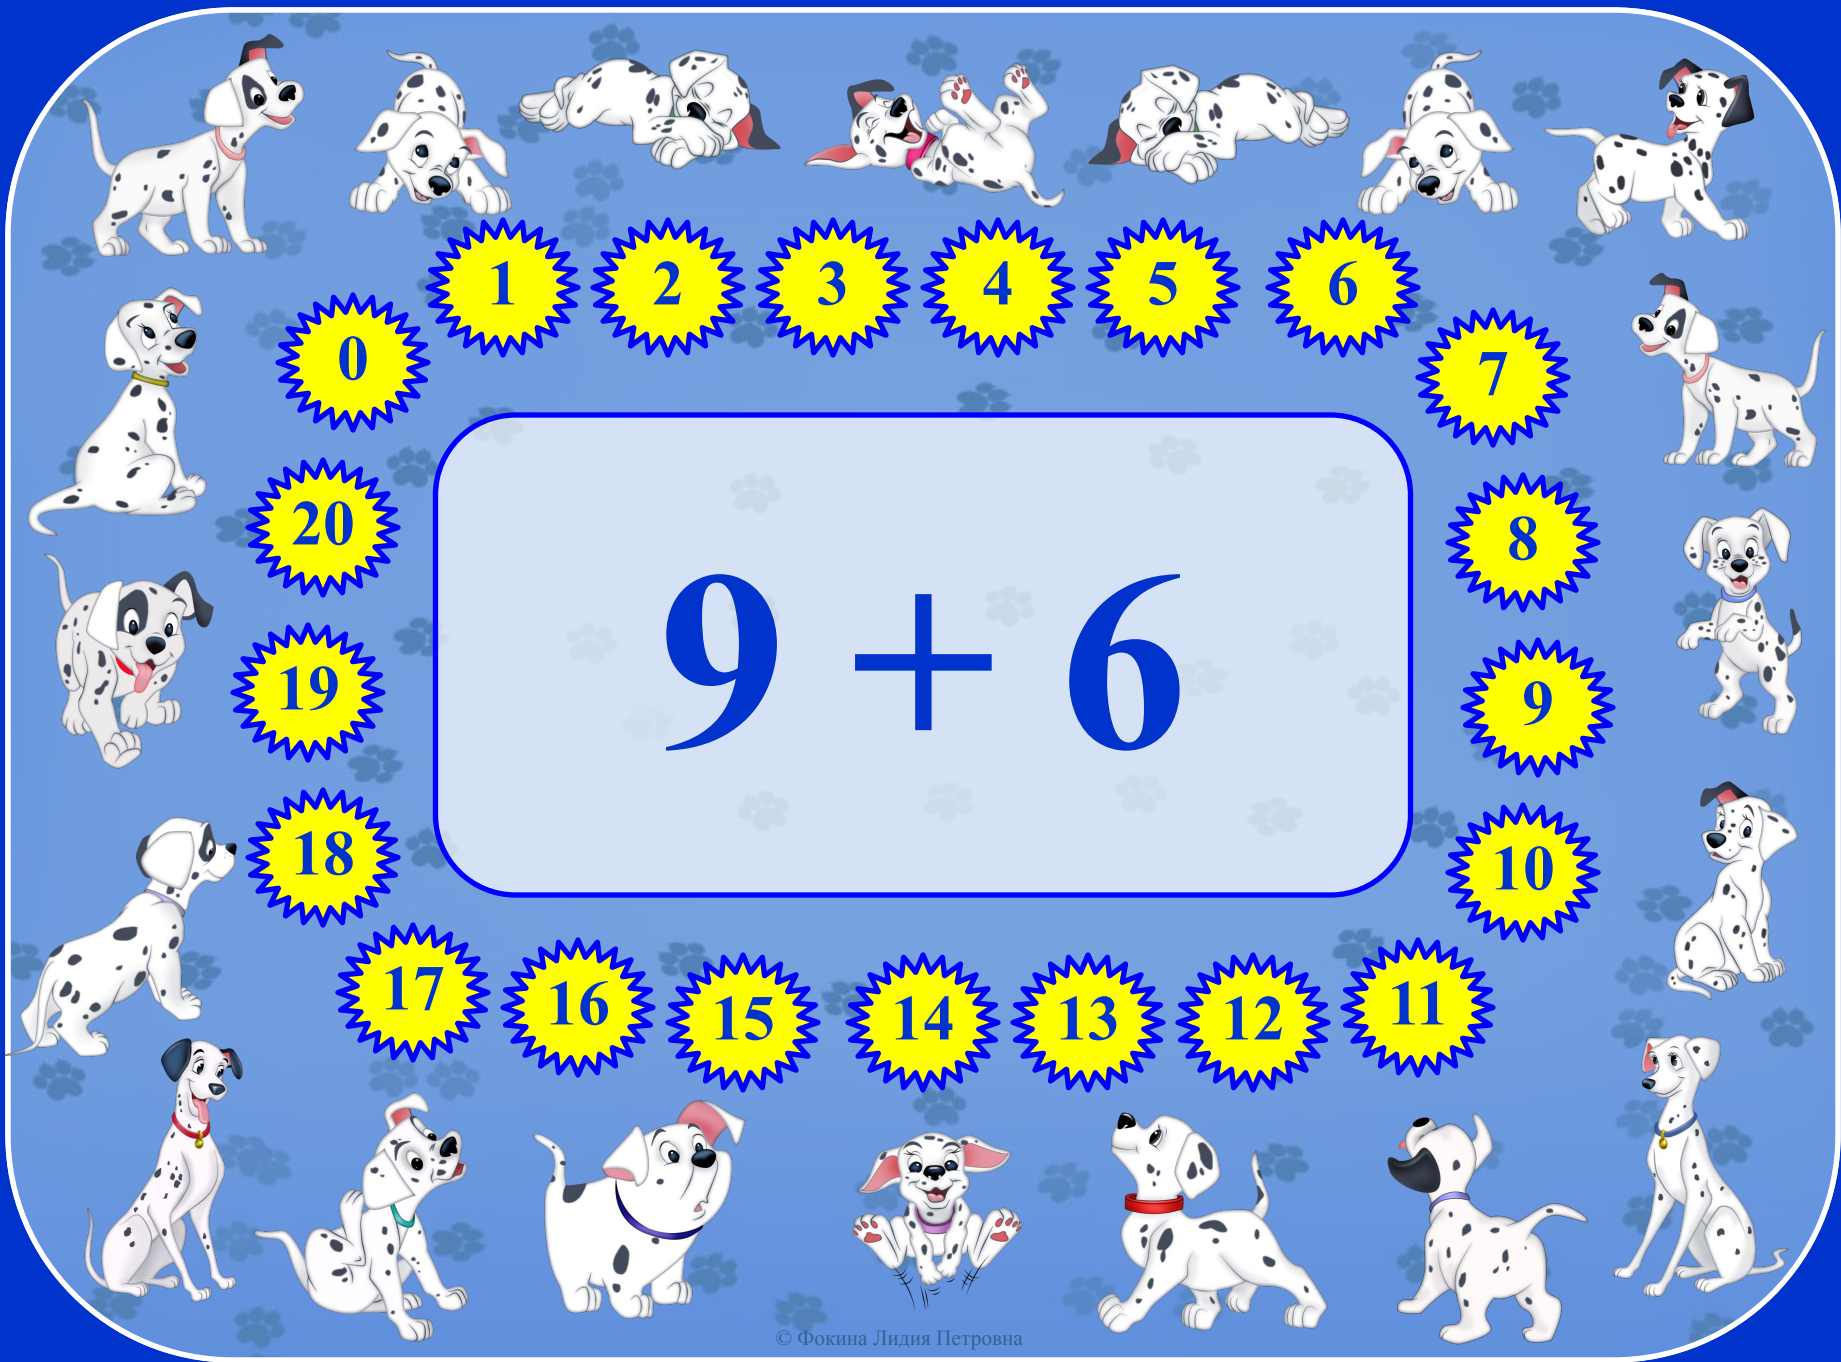

то перейдёшь к следующему заданию.

СТАРТ

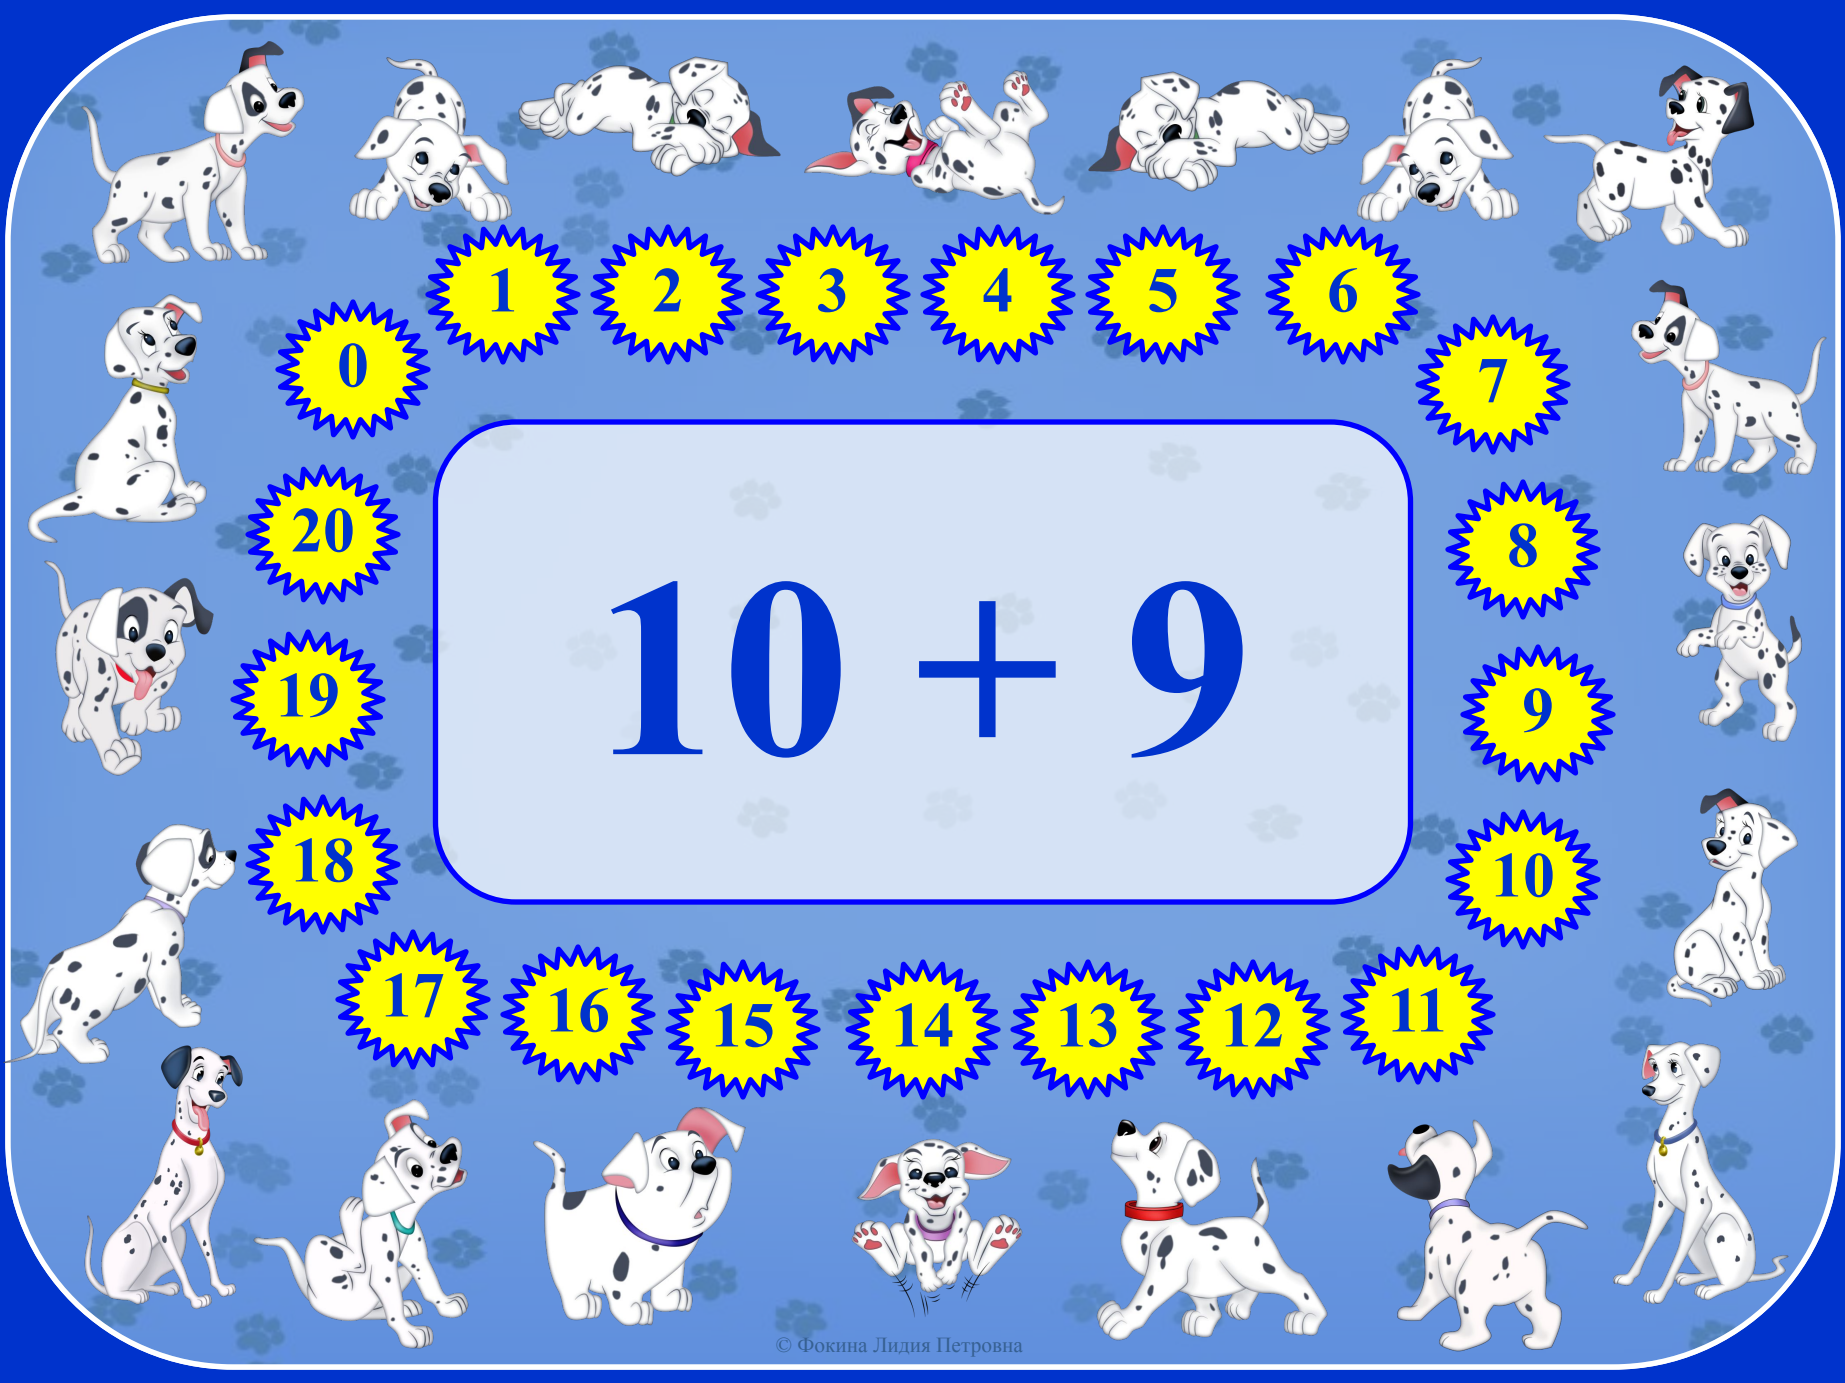

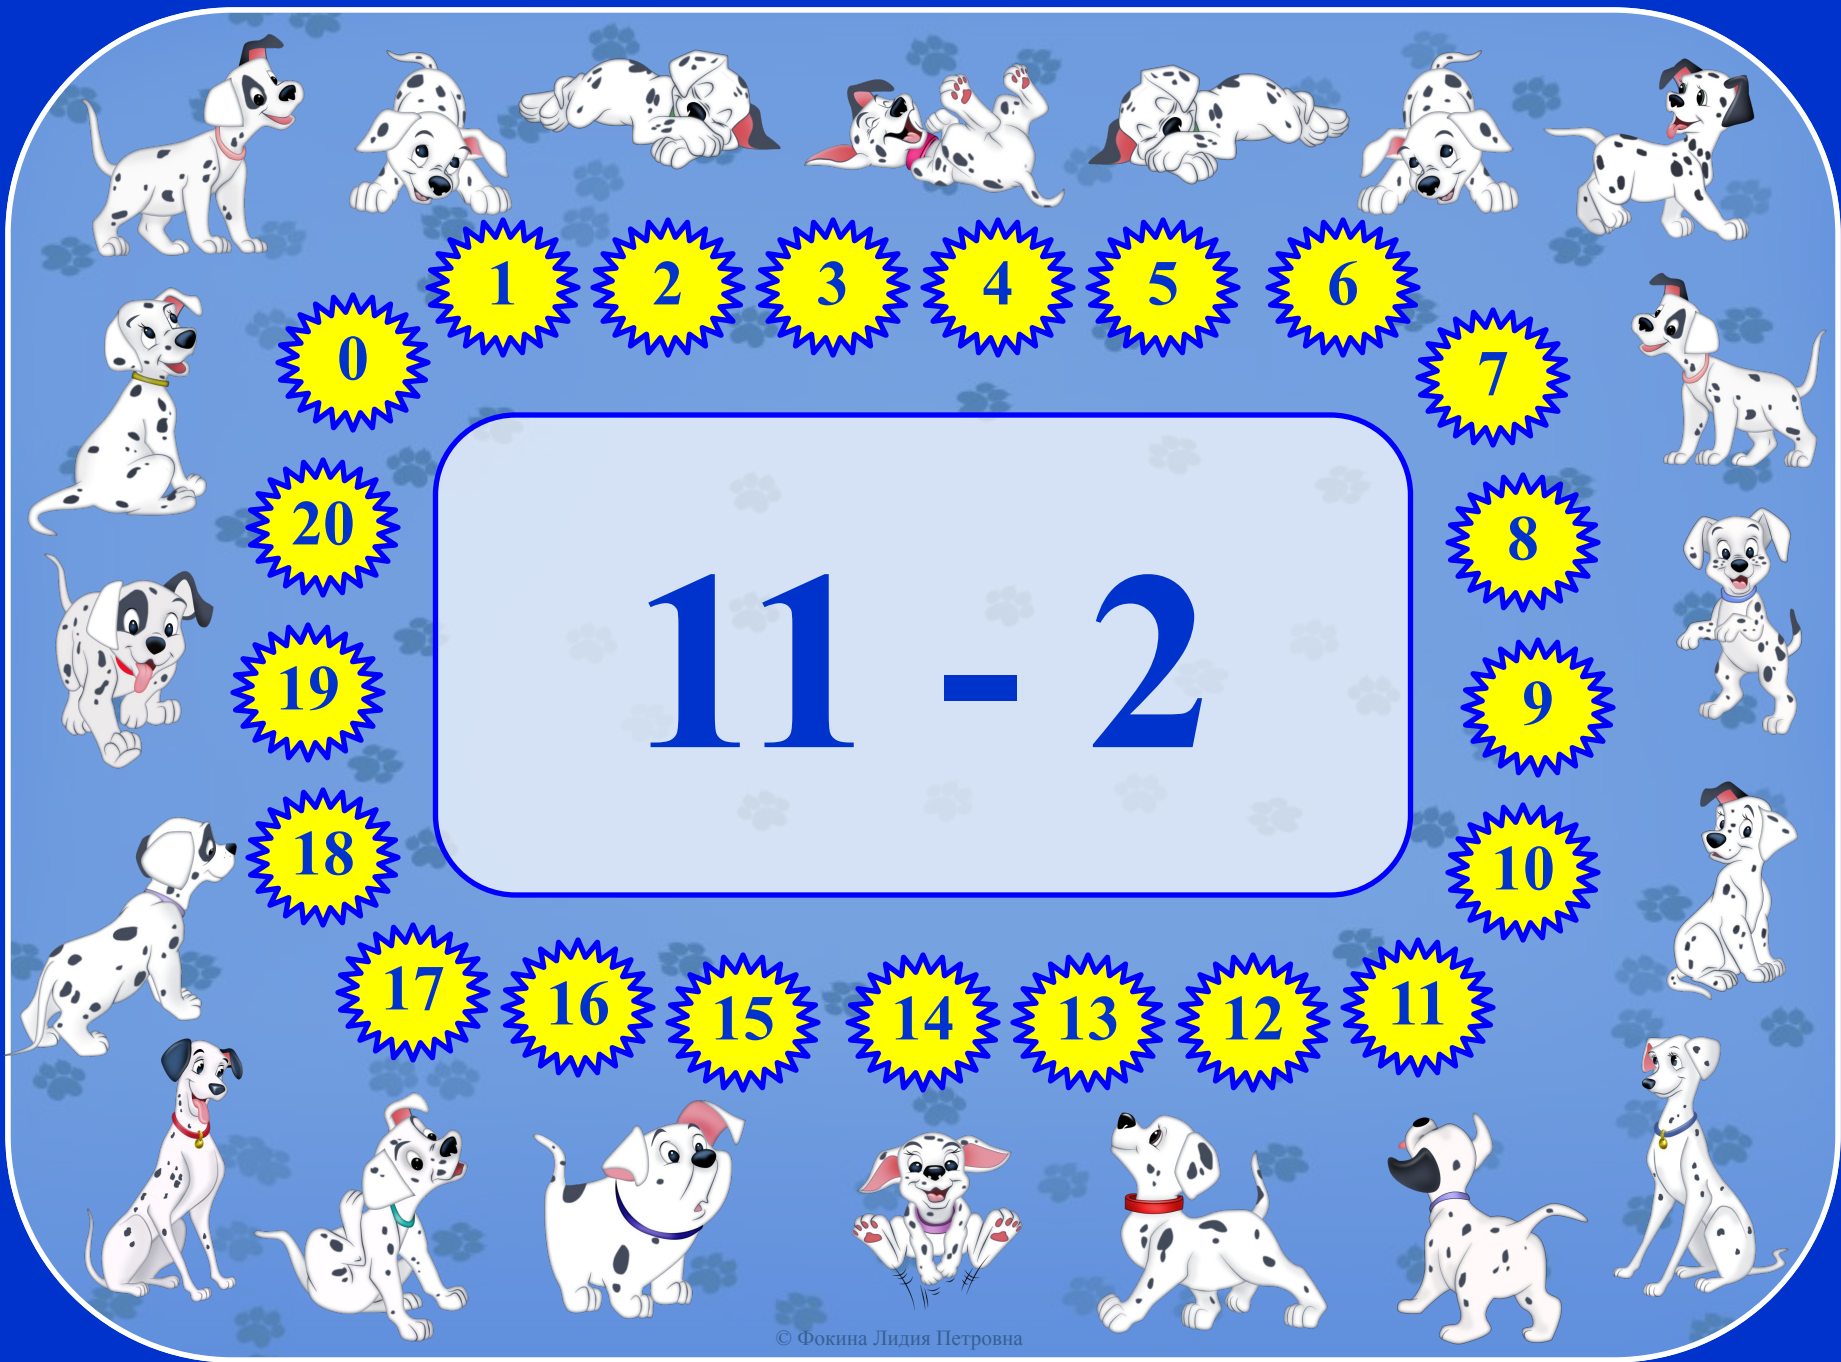

$$6 + 4$$

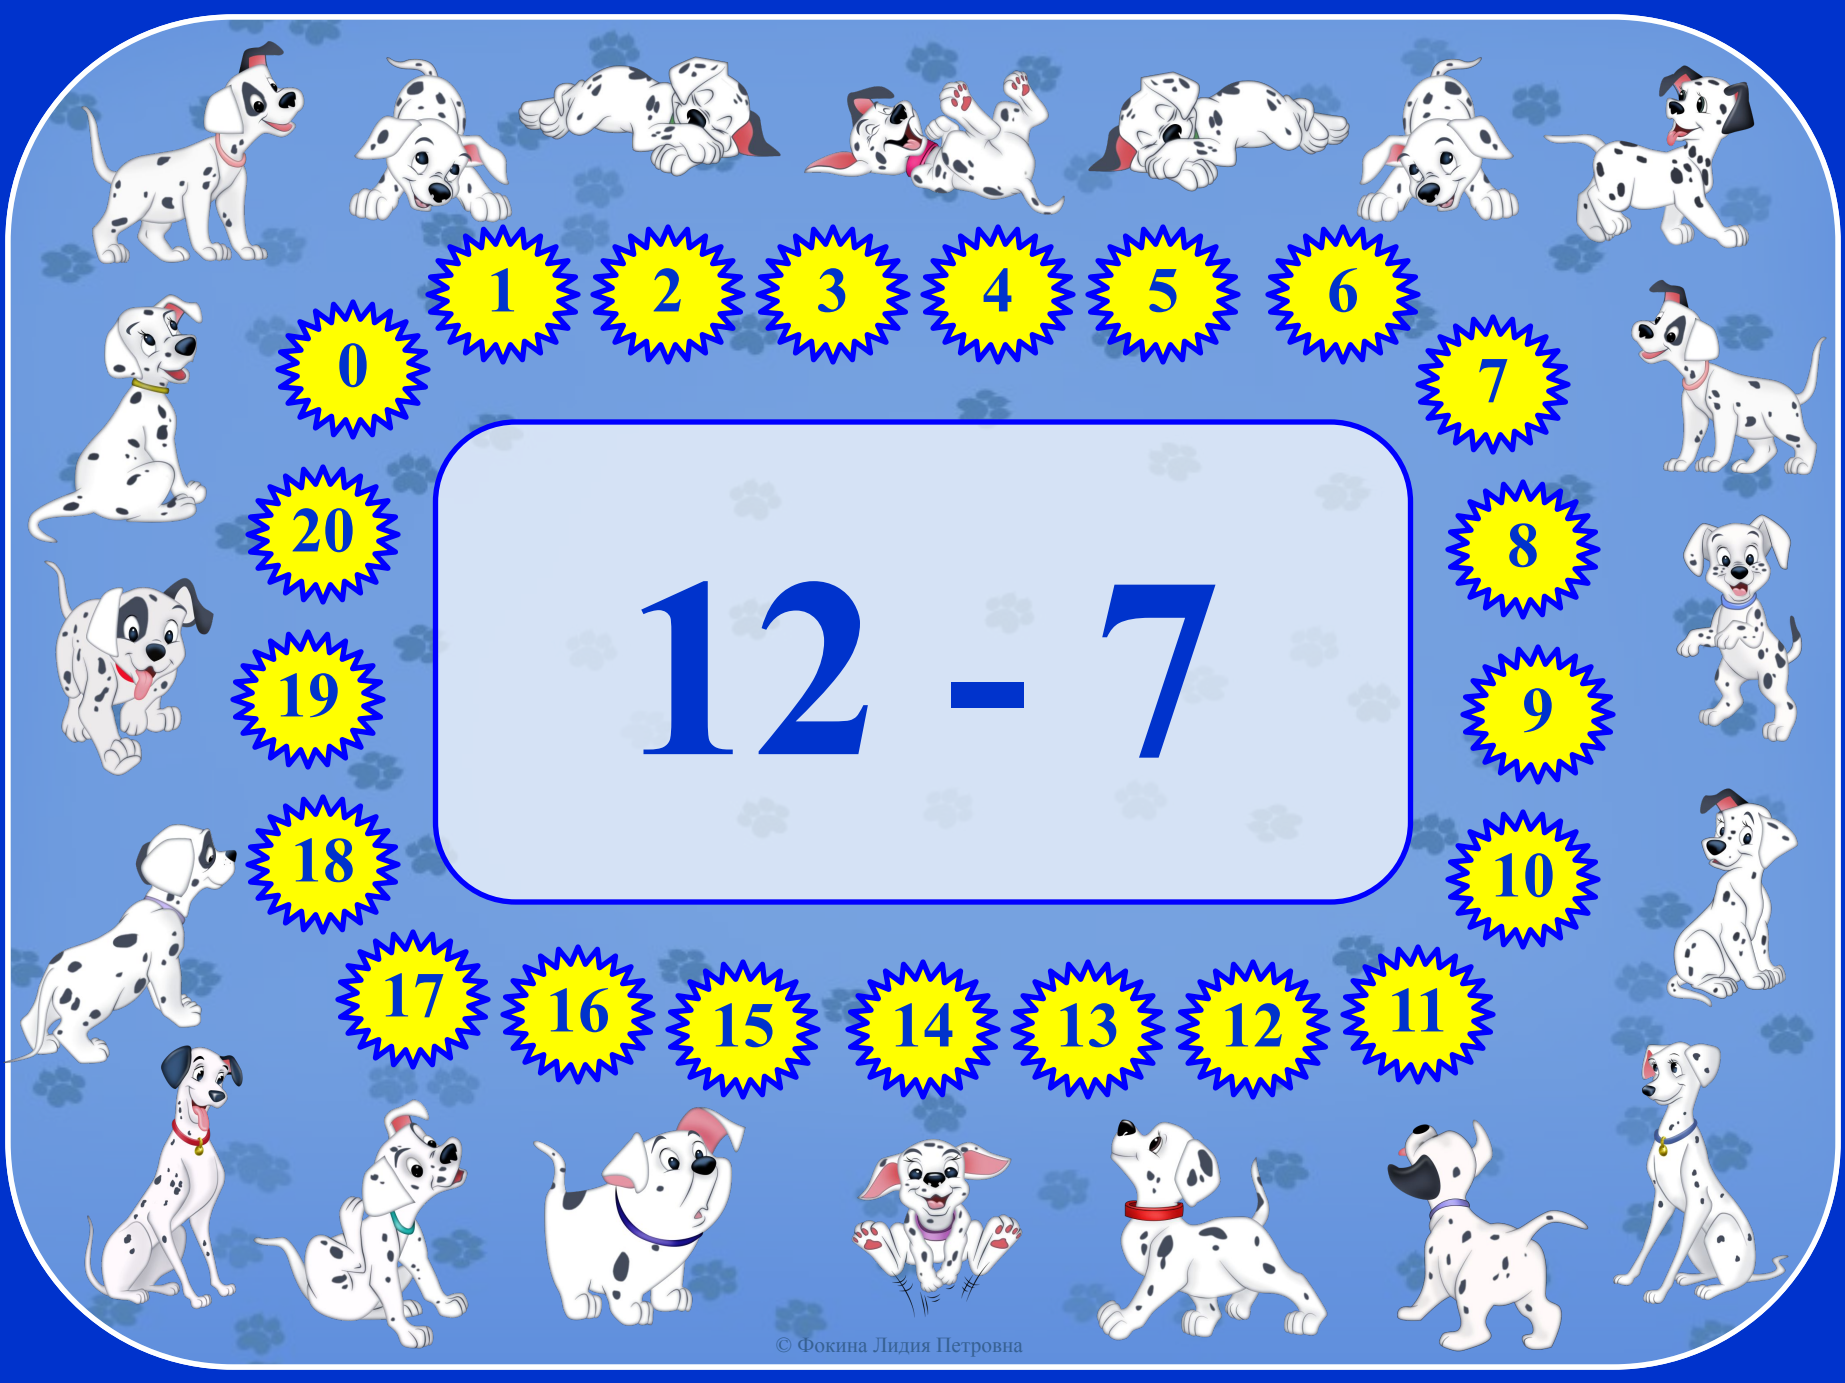

$$9 + 6$$

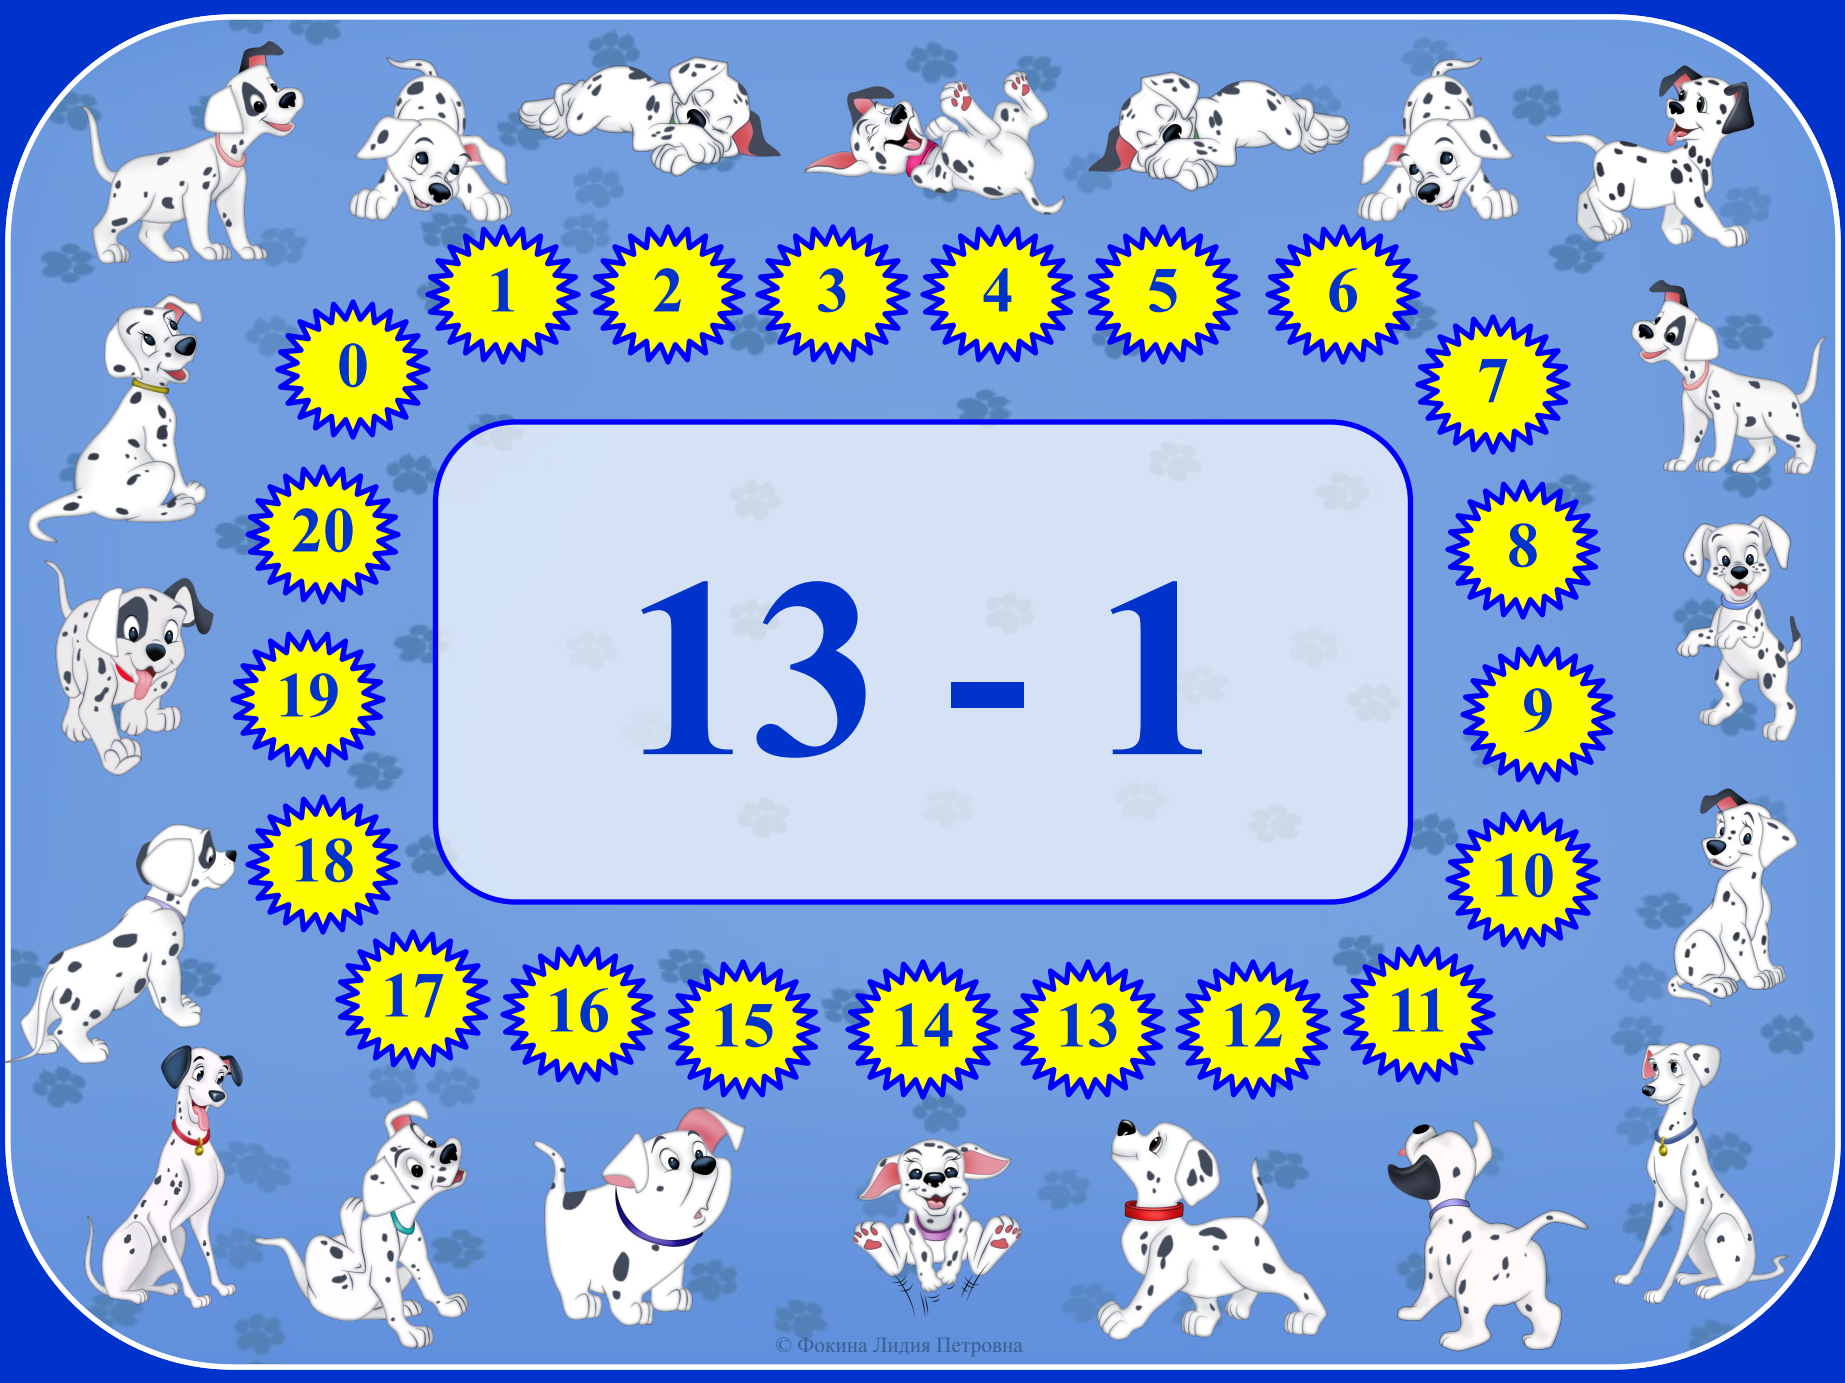

A circular arrangement of 20 Dalmatian puppies in various poses (sitting, lying down, playing) surrounds a central light blue rounded rectangle. Inside the rectangle is the equation 10 + 9. Between the puppies and the central rectangle are 20 yellow starburst shapes, each containing a number from 0 to 19 in a clockwise sequence starting from the top left.

$10 + 9$

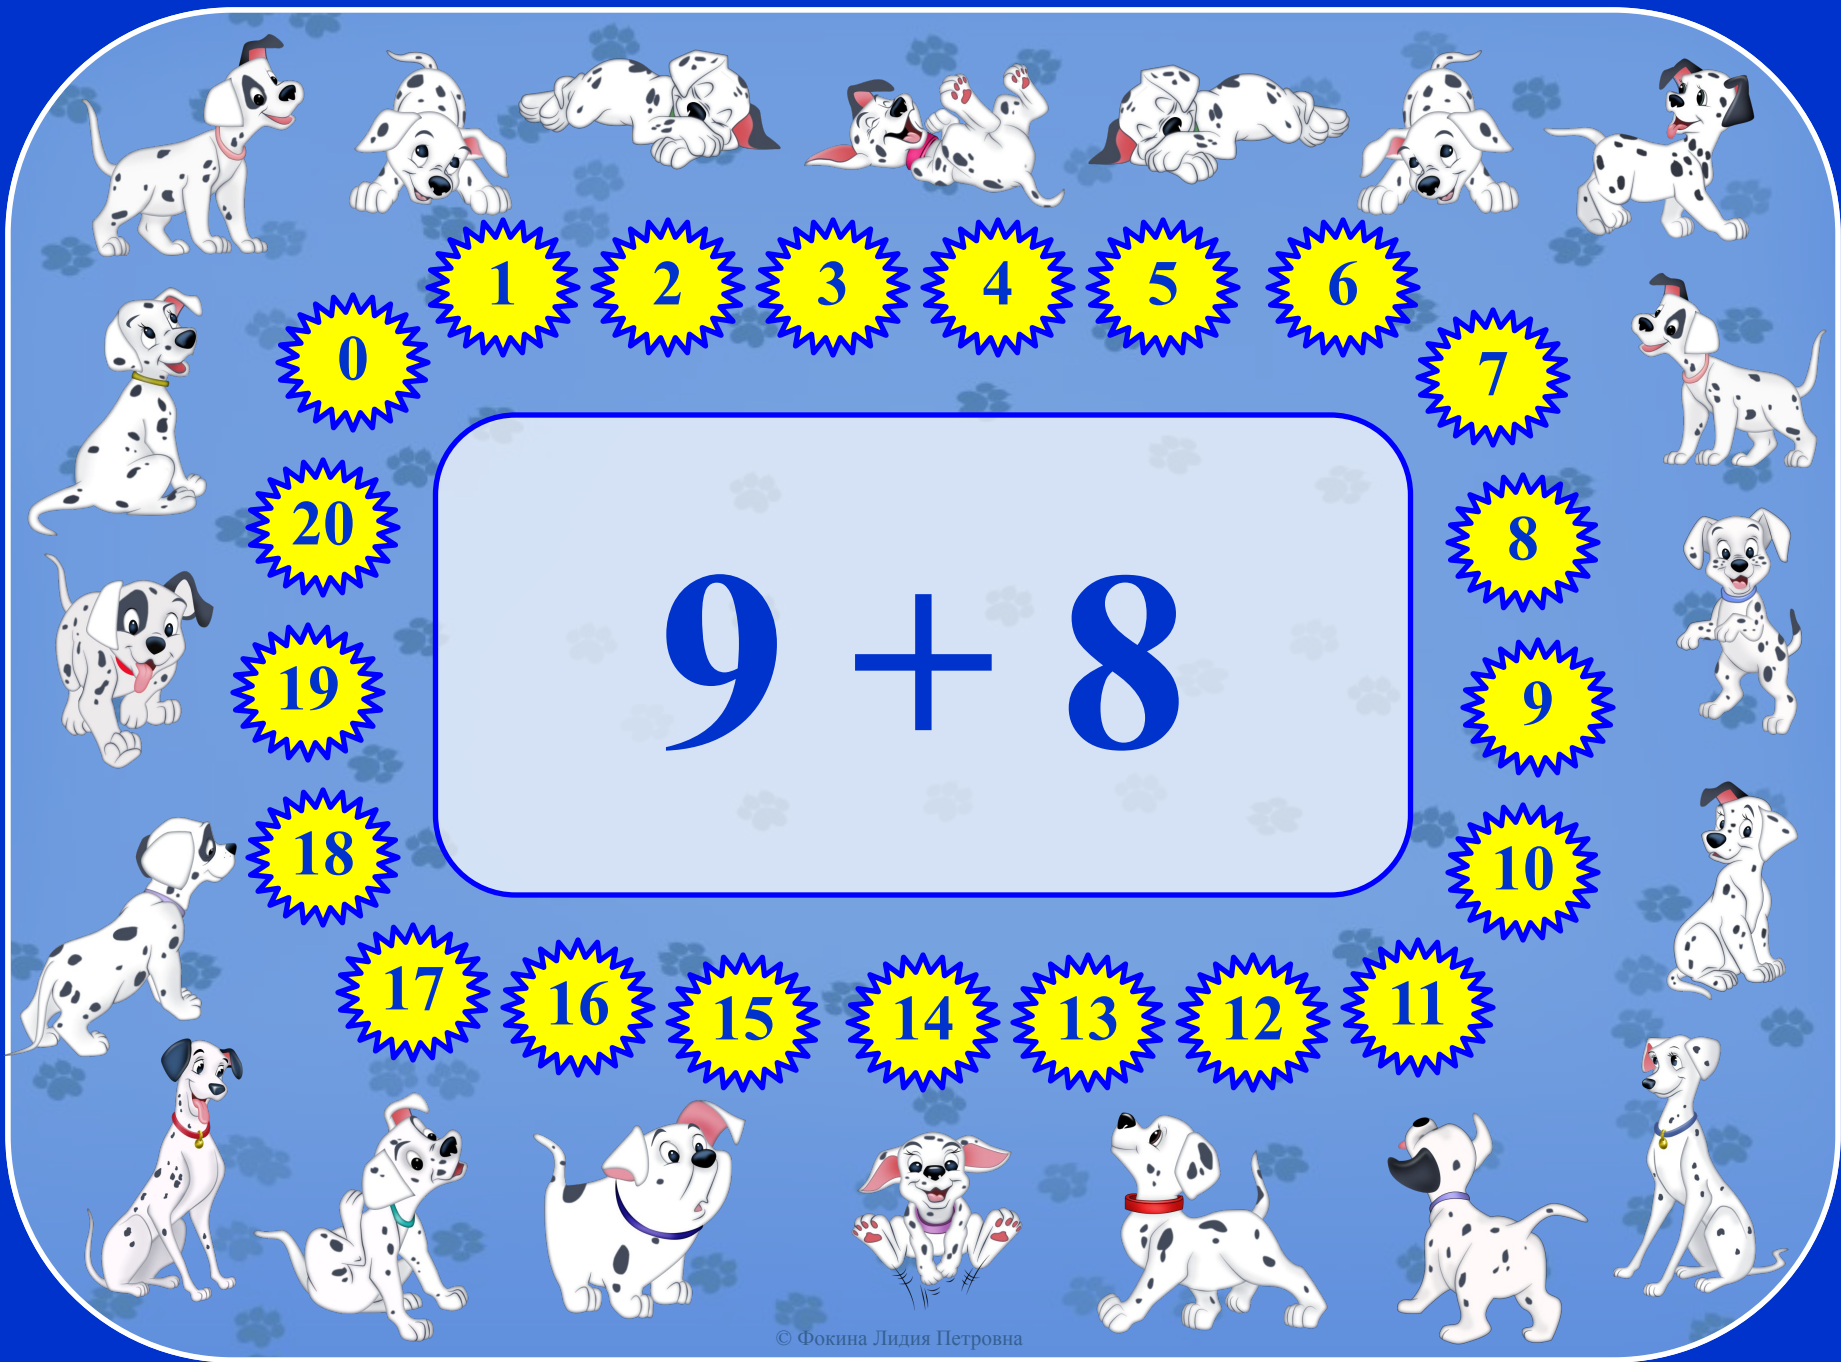

$$11 - 2$$

A circular arrangement of 20 Dalmatian puppies in various poses (sitting, lying down, playing) surrounds a central light blue rounded rectangle. Inside the rectangle is the subtraction equation 12 - 7. The numbers 0 through 19 are placed in yellow starburst shapes around the central box, starting from the top and moving clockwise.
$$12 - 7$$

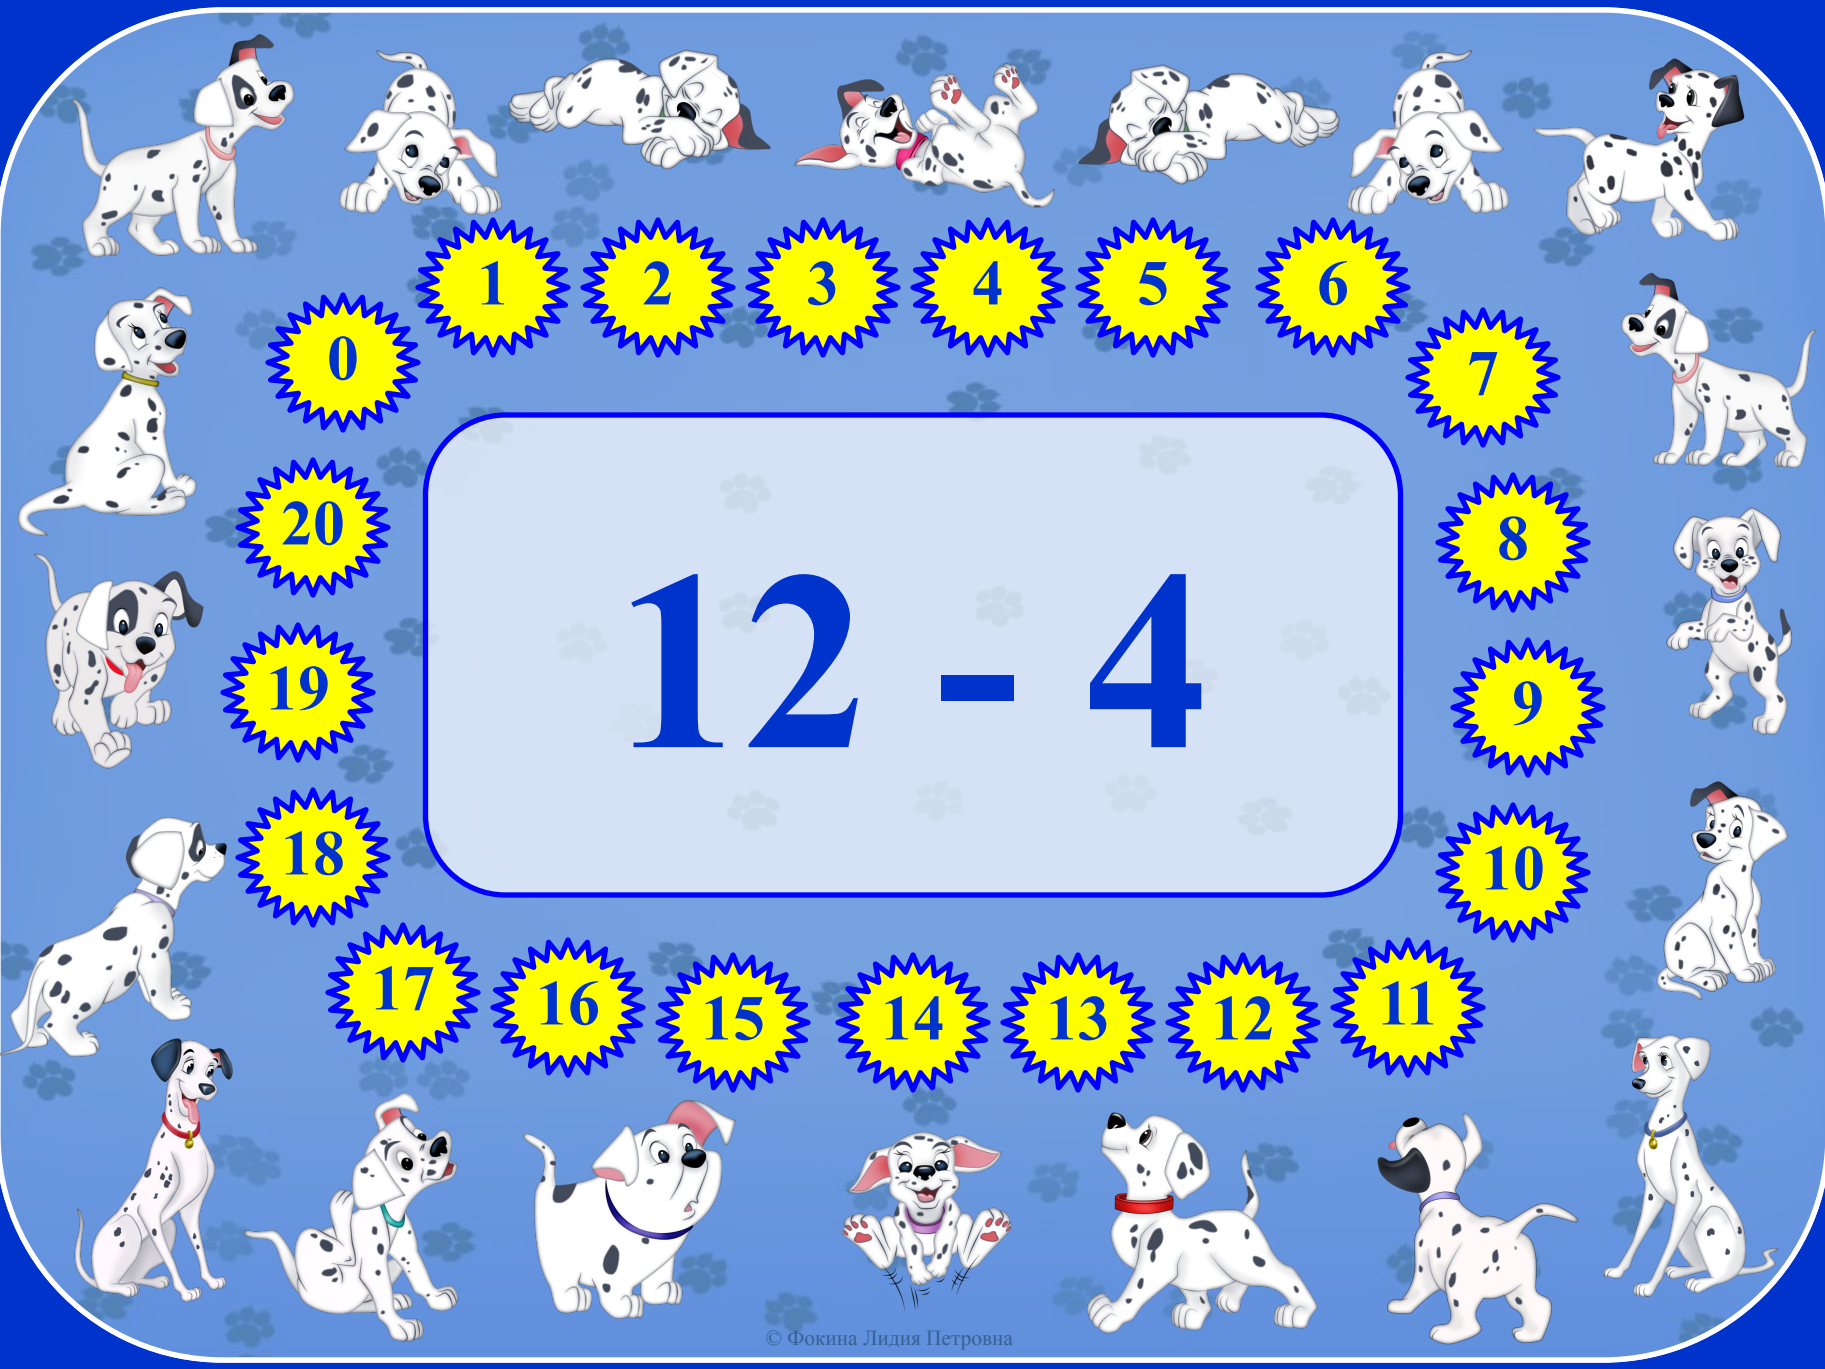

$13 - 1$

$$9 + 8$$

$11 - 8$

$12 - 4$

$$9 + 9$$

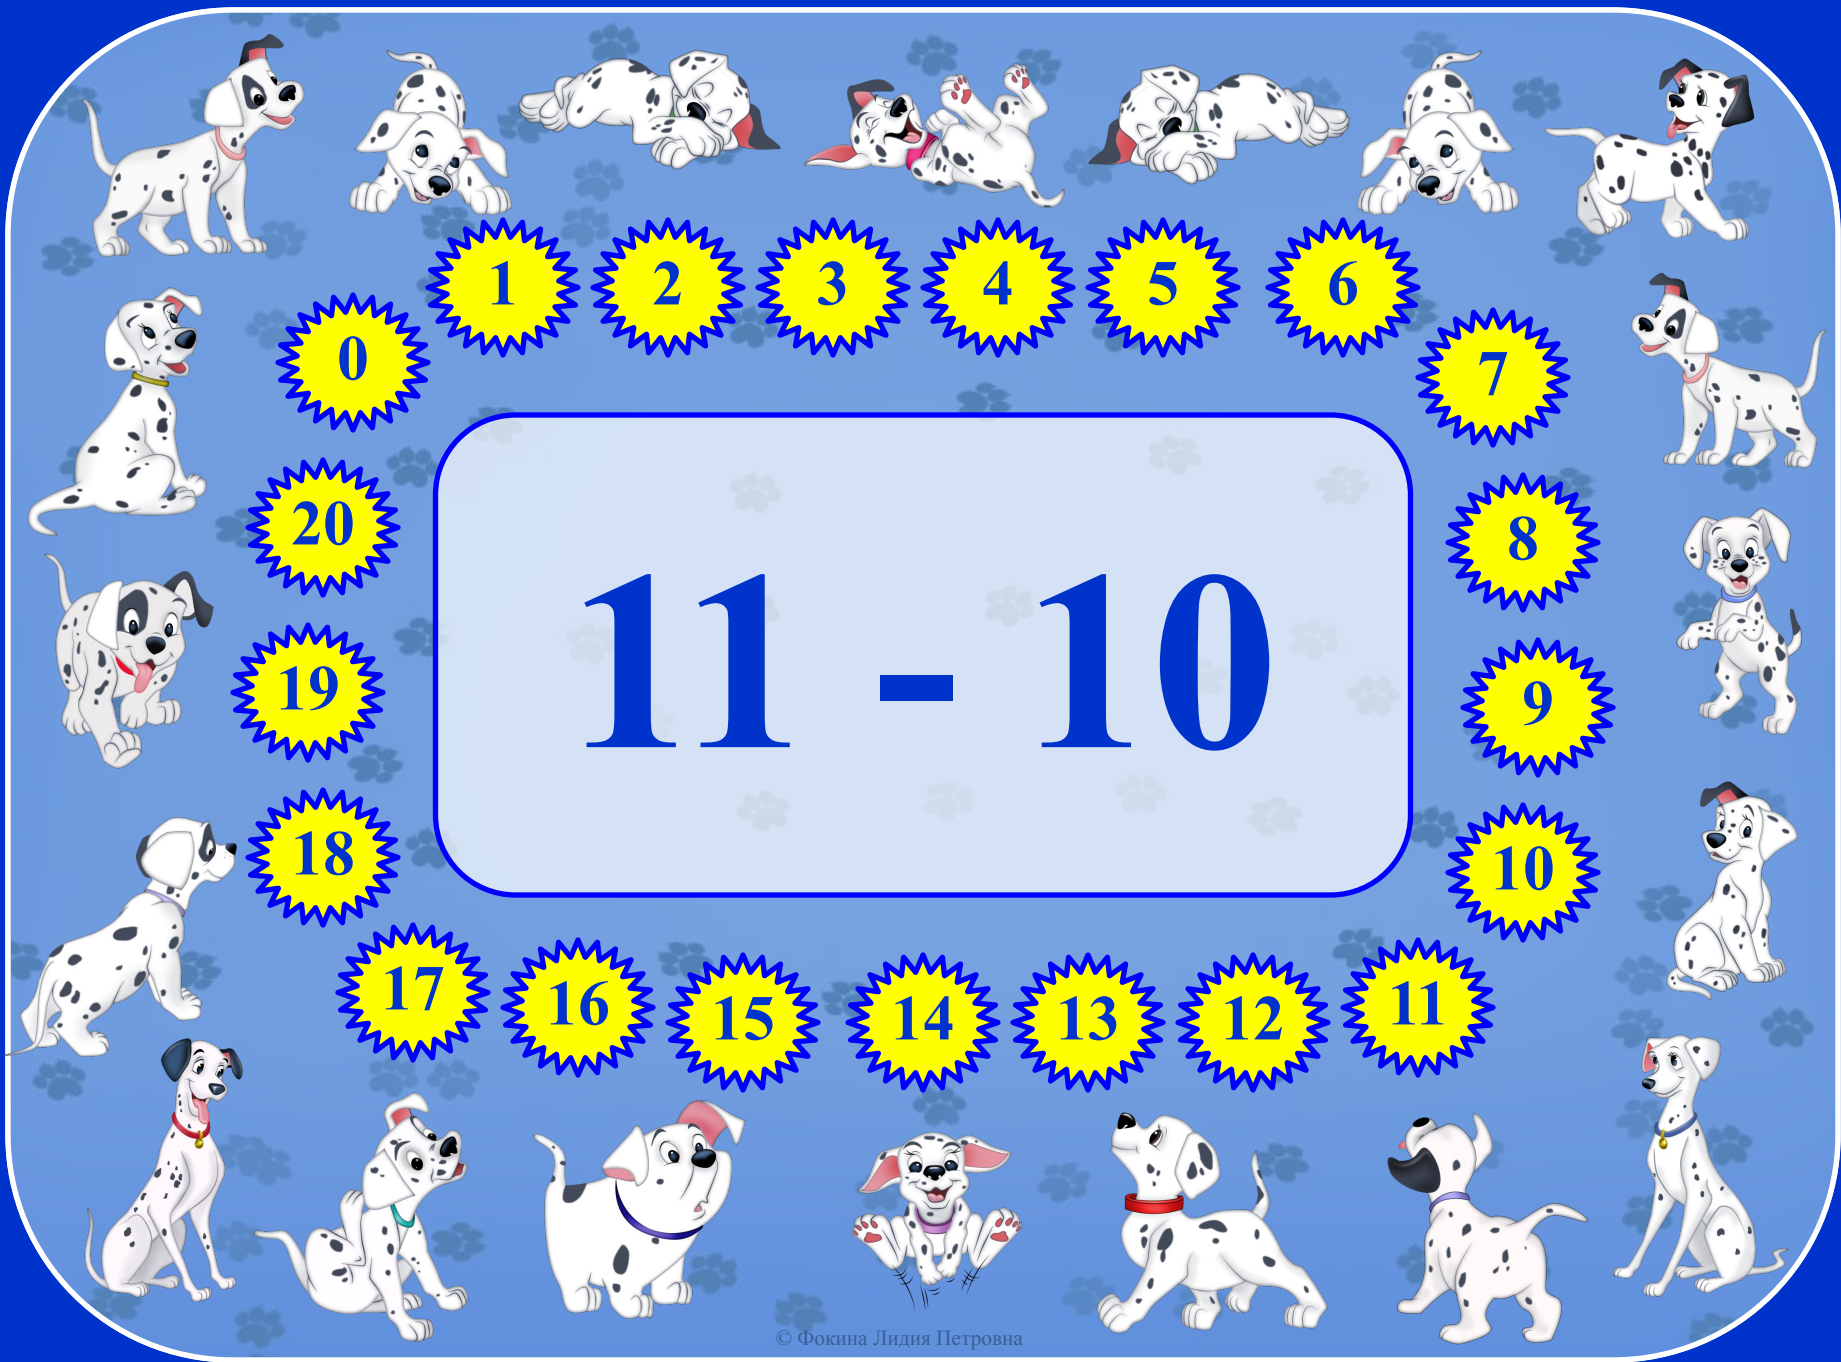

A circular arrangement of 20 Dalmatian puppies in various poses (sitting, lying down, playing) surrounds a central light blue rounded rectangle. Inside the rectangle is the equation 10 + 3 in large blue font. Between the puppies and the central box are 20 yellow starburst shapes, each containing a number from 0 to 19 in a clockwise sequence starting from the top left.

$10 + 3$

$$11 - 9$$

A circular arrangement of 20 Dalmatian puppies in various poses (sitting, lying down, playing) surrounds a central light blue rounded rectangle. Inside the rectangle is the equation $10 + 10$. Between the puppies and the central box are 20 yellow starburst shapes, each containing a number from 0 to 19 in a clockwise sequence starting from the top left.
$$10 + 10$$

11 - 10

A circular arrangement of 20 Dalmatian puppies in various poses (sitting, lying down, playing) surrounds a central light blue rounded rectangle. Inside the rectangle is the subtraction equation 16 - 9. The numbers 0 through 19 are placed in yellow starburst shapes around the central box, with 0 at the top left and 19 at the bottom left, and 10 at the bottom right and 1 at the top right.
$$16 - 9$$

Молодец!
