What are you going to do?

What are you going to do?

What are you going to do?

I'm going to read a book.

That's what I am going to do.

What is she going to do?

What is she going to do?

She is going to write a letter.

That's what she is going to do.

- Dear friends,
- My name is Paul. I am 11 years old. I live in London.
- Today it's Thursday and I need to plan my weekend.
- Every weekend we go to the country to visit my grandmother, but this week we are not going to. So Mum and dad want to know what I am planning for the coming weekend. Here is what I am going to do.
- On Friday after school I'm going to play football with my friends. In the evening I'm going to help Mom clean the flat.
- On Saturday I'm going to my friend's birthday party. I won't stay there long. After that I'm going to see a good film on TV or play computer games in the evening.
- On Sunday I'm going to do my homework in the morning. I have to learn a poem by heart. After lunch I'm going to the cinema with my friends.
- And what about you? What are your plans for the weekend?
- What are you going to do?
- Please, write me letter!
- Best wishes,
- Paul.
