# ***Why do people travel?***

If I could travel the world today  
Where would I go and where would I stay?  
I'd travel by car, I'd travel by air.  
I'd go near and far, I'd go everywhere.

## School Sporting Event

Sport plays an important role in our life. As for me I am fond of many kinds of sport: swimming, cycling, basketball, volleyball, skating and skiing. But I like football most of all. Playing football is a popular activity among my friends. I also enjoy taking part in different sport competitions at our school. Sport helps me to keep fit and develop physical abilities.

Last week my school had a sports day. That day we had no lessons. We competed in running, jumping and throwing a ball. Then the boys played football and the girls supported them. It was exciting!
