- Misha: How are we going to get to England?
- Rob: The cheapest way is by bus Euro lines go all over Europe.
- Misha: But how can we get to England by bus? England is an island?
- Rob: Oh, that's not a problem. In France the bus goes on a ferry. It is a big boat, which can carry buses, cars and people.
- Misha: How much is the bus then?
- Rob: A single ticket is £52 if you are 12 years old and £148 if you are older.
- Misha: That's really cheap! I am twelve. How long does it take?
- Rob: I don't know. We must find out.
- Misha: What about the plane?
- Rob: It is the fastest way. It took me only three and a half hours to get to Russia from England. But it was expensive! I paid £350 for a return ticket with British Airways.
- Misha: And what about the train?
- Rob: I don't think it's a good idea. It will take a long time to get to England by train and it is more expensive than the bus.

Before the excursion I have invited two guides, who will recommend us the places of interests of London

S_1 . Tourists in London always want to visit Westminster and see Big Ben. They want to see the clock in its tower and to hear the bells. Big Ben is really a bell. You hear it every hour. It is a big bell. It weighs 13,720 kilograms. It has a deep lone (звук) and you can hear it on the radio: "This is the BBC. The time is six o'clock," And then you hear the deep boom of Big Ben six times.

S_2 . You can see the Tower of London from the river Thames. The Tower is very old. It has a long and cruel history. It is not just one building. The tall building is the White Tower, the oldest part of the Tower of London. The Bloody Tower is near the river. You do not see blood there today. But the Bloody Tower has a history of blood - the blood of men, women and even children. (Карт. Tower of L.)

Now the King and the Queen of Britain do not live in the Tower. When the Queen is in London, she stays in Buckingham Palace

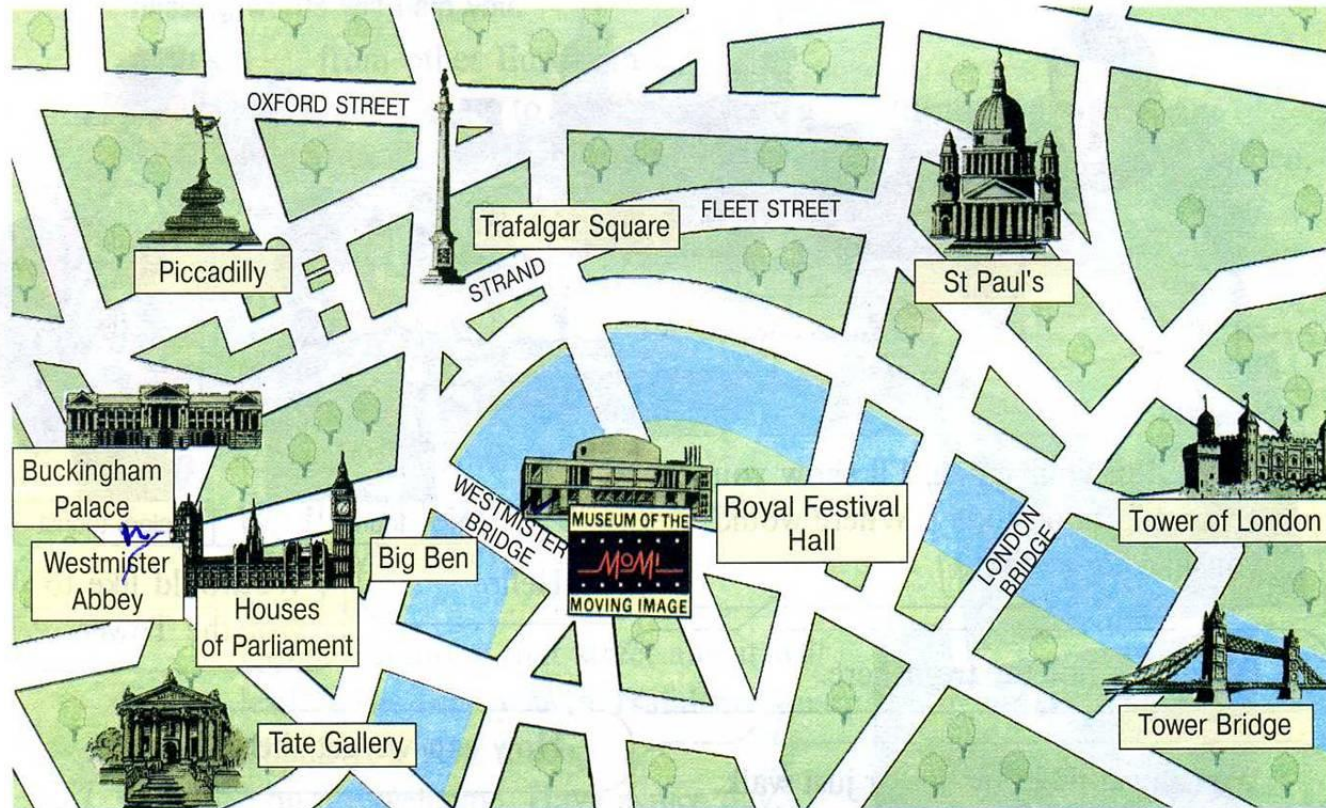

S_1 . The famous clock Big Ben stands near the Houses of Parliament. The country's leaders speak in the Houses of Parliament. The men and women there are the voice of the British people. The Houses of Parliament stand beside the river Thames. You can go on a boat from Westminster and see London from the river. You can also see Big Ben and the Houses of Parliament from Westminster Bridge.

S₂. Standing not far from the Houses of Parliament, Westminster Abbey is a symbol of England. The legend says that Westminster Abbey was founded by St Peter himself. We know that Westminster Abbey was built by King Edward in 1065. The coronation of all British Kings and Queens takes place in Westminster Abbey. Some famous English people are also buried here. The funeral service for Diana, Princess of Wales took place in Westminster Abbey in September 1997.
