# Preparatory school

A **preparatory school** (or, shortened: **prep school**) in the United Kingdom is a fee-charging private primary school that caters for children up to approximately the age of 13.

# School education

Primary school (5-11)

Secondary school (11-16)

High school (16-18)

# Undergraduate Education

An undergrad student can

- partake in vocational courses (leave school before 6<sup>th</sup> Form)
- get a Bachelor's degree
- partake in Sandwich courses (get a job placement while getting higher education)

# Postgraduate Education

Undergrad students can prolong their  
academical career while getting postgraduate  
degrees such as:

- Master's
- Doctor's
- Special case of Master's degree – MBA  
(Master of Business Administration)

# Additional education

Music schools

Sport schools

Art schools

# By the form of education

-Full time education

-Correspondence  
education

-Online education

# By Gender Division

In the UK, there are schools for girls, for boys, co—ed and diamond schools, where children up to 11 years old study together, in the period from 11 to 16 years - separately, and in high school they are united again.

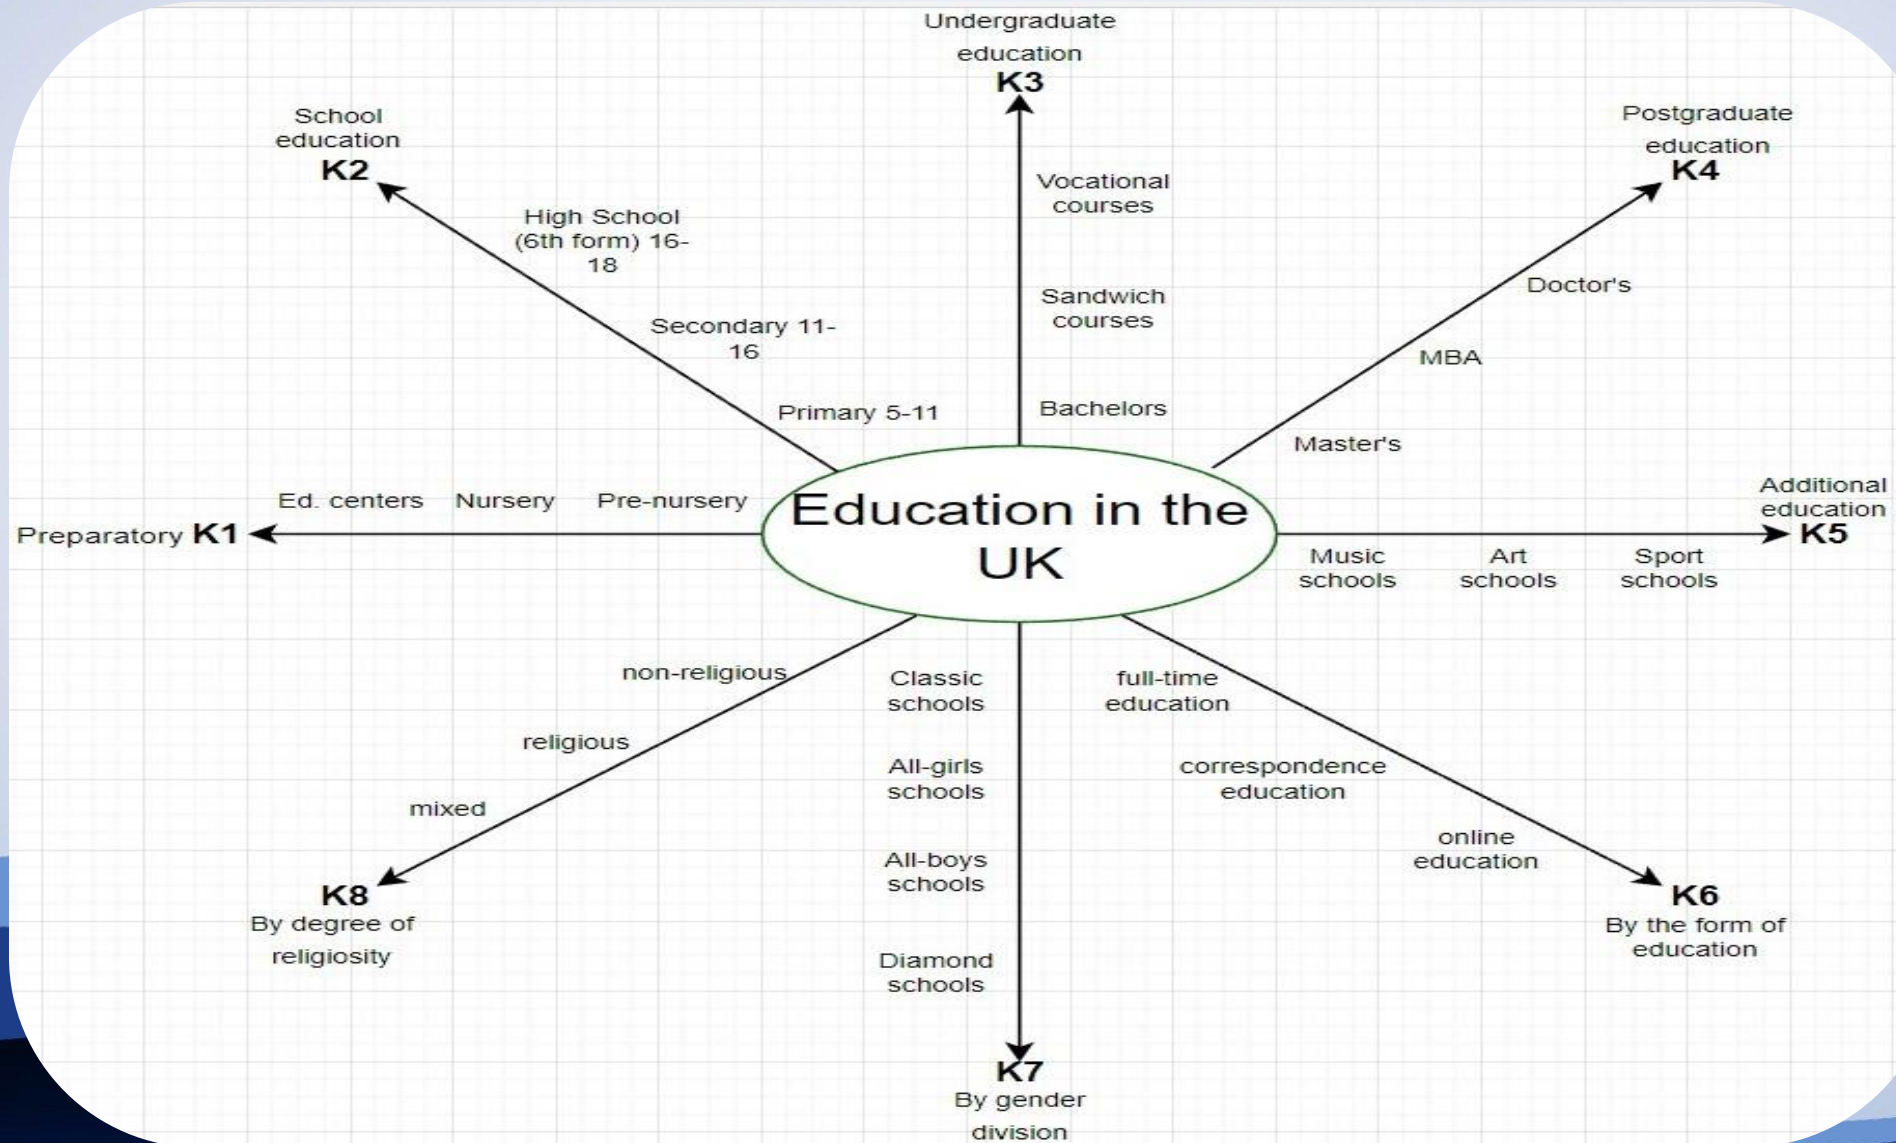

# By Degree of Religiosity

There are Anglican schools (Church of England), Catholic (Roman Catholic), Jewish (Jewish), Muslim (Muslim) and Hindu (Hindu). In any case, these are the main religions and denominations represented in primary English education.
