The Maldives

The Maldives is a unique place, is able to charm his splendours and unspoilt beauty of primeval nature. Who has been here once, will carry through the entire life of exotic dive and a quiet relaxing holidays.

Touristic trip the Maldives will give you a unique opportunity to visit a real fairy tale, plenty to enjoy the magnificent resorts, which are unique in the world surrounded by pristine golden sands, where there is no place to the noise of cities and satiety european civilization.

Japan

Japan is a country of bright contrast of beautiful traditional atmosphere and lively urban centers. It has something for everyone. Japan is a country located in northeast Asia, not far from Korea and China. Fukuoka is just 217 km from Busan in South Korea, and 876 km from Shanghai in China. Japan is an island nation, and the Japanese will remind you of this at every opportunity.

Virtually unchanged since the Middle Ages preserved traditional Japanese costume, a national interior, literary Japanese tea ceremony, kabuki theater, but Bunraku and many other equally peculiar traditions. And all this — surrounded by an ultra-modern technological civilization!

The number of traditions and rituals that are mandatory or recommended for compliance, is huge. Almost all spheres of life imbued with a network of traditions and ceremonies, especially noticeable in the communication between people

Egypt

If someone wants to see the longest river in the world, ancient structures and real mummies, he should go Egypt. This country is situated in the north-east of Africa, although the Sinai Peninsula connects with south-west Asia. That's why Egypt is often called a Middle East country. Every year millions of tourists come to Egypt for beach vacation. Its favorable climate and beautiful sea scenery have turned the country into the world-class resort. Apart from that, people want to see the place where Ancient Egyptian civilization originated, the pyramids, the pharaohs' tombs. If they are lucky, they can see the mummies at the Cairo Museum of Antiquities. The brave tourists go down the Nile River, which is the natural habitat of crocodiles.

France

France is one of the most beautiful and romantic countries in the world. It's the place where many couples try to spend their honeymoon. There are lots of historic cities, interesting landmarks, museum, cathedrals, castles, theme parks in the country. One of the most beautiful architectural sights is the Palace of Versailles. This outstanding building is situated outside of Paris and it used to be the home for French kings and queens. The Palace is surrounded by magnificent gardens and fountains.

Turkey

Turkey is a very beautiful , historical , and interesting country with many ancient attractions. The culture of Turkey takes its roots from the Ottoman Empire. Straddling many countries, Turkey is the bridge between Europe and Asia. 75 million people live there. Turkey has many cities with ancient history, and largest and arguably the most beautiful city is Istanbul. Constantinople was the name of Istanbul a long time ago. One of the most famous attractions in Istanbul , the Hagia Sophia what it means Holy Wisdom from Greek language. It is a great architectural beauty and an important monument both for Byzantine and for Ottoman Empires. Once a church, later a mosque, and now a museum, people from Turkey consider Hagia Sophia to be one of their most precious landmarks.

Germany

Germany is one of the most interesting and widely visited countries of Europe. It consists of 16 states, and its capital and largest city is Berlin. Tourists love visiting Germany as there is a great number of attractions in every part of the country.

Berlin is undoubtedly one of the most fascinating capitals in Europe. Perhaps, the most visited sight in the city is the Brandenburg Gate. It is the only surviving gate of Berlin and symbolizes the reunification of West and East parts of the city. The gate was built in the 18th century as the entry to the boulevard of Unter den Linden. Other sights of Berlin are the Reichstag building with its large glass dome, Potsdamer Platz, the Berlin Wall East Side Gallery, Treptower Park and many others.
