

I like reading and often read different books. I would like to tell you about my favourite kinds of books today. Hovetabepaelfek Literaryegedineg: farobony, fantasy, sciadræskiski andend scotatific books because I would Like knov more about another countries and rare

## Romeo & Tuliet (yctho: it is my favourite book)

Dam going to tell a little you about this tragedy. By the way I have recently read

It was written by one of the most famous Onglish writers of all time William

The scene of book is set in Verona. As It is the fend of noble families Montague and Capulet. Once Capulet arranged ball. Romeo came there to met with Rosaline But he saw

The is 14. Juliet is young, impressionable, stubborn and more calm than Romeo and brave. The could play with death and alielather

parents for love. But this idea finished with grief.

He is 18. Romeo is amorous, beautiful, changeable, ardent, emotional and may be a little gentle man. Many people will criticize him for his actions and it will be right agreet if Romeo didn & have this characteristics, The great love story wouldn the so Engedy and

wouldn't be itself.

In the truth & have some read books about love but I didn t like at all. In myopinion this ancient drama is best. There are a lot of tragic, smiling, grief and love in my book. On the

My account is very incomplete, & haven t mention the main idea A have taken from this book. From my point of view It is a reconciliation of families due there were love and die of some washingten To sum up the formilijeriger reconcilet by there afelislaevedingdeaths and agree to it. I finddekint violent fend. that Love is the great power which cando

For me the most interesting was a moment fight between Romeo and Lyball. Lhis episode made a strong impression on me because it

is interesting

His book was written 5 centuries ago, but nev films are made, pictures are drown, composers write music about it story nowadays. Personnance Romeo and Juliet are playing every day. It is a real great story of all time. On the whole this book is good. It sworth reading.
