The Bengal tiger is the national animal of India. It is orange with black, grey or brown *stripes*. It *hides* in tall grass and *hunts* big animals like deer. It is a really beautiful animal.

Indian elephants are very big and tall (2-3 metres), but they have small ears. Usually a big female is the *head* of a family of elephants. Indian people use elephants to carry *heavy* things with their *trunks*.

The Indian cobra is a black, brown, white or yellow snake. It is very *dangerous*.

The Indian rhino is a funny animal. It only has one *horn* (African rhinos have two). It usually lives *alone* and likes to sit in water or *mud*. There are only about 2,000 Indian rhinos today.

stripe – полоса
hide – прятаться
hunt – охотиться
dangerous – опасный
head – глава
heavy – тяжелый
trunk – хобот
horn – рог
alone – в одиночку
mud – грязь

Read. Match the photos to the text.

Hi there! I've got a cat. Her name is Stripes. She is 5 years old with big ears and bright green eyes. Stripes plays in the garden all day and night and at night she sleeps on my bed. Cats are great! What do you think?

Hi Jessie, I'm Chris. I like cats, but I haven't got one. I think budgies are the best! My budgie has got blue, grey and white feathers and a little yellow beak. His name is Tweety and he sings all day long.

Hi guys! I've got a dog. His name is Nelson and he's 3 years old. He is very big with golden fur. I take him for walks in the park every day. Does anyone else like dogs?

Write the names of the animals

This animal has got
a big body and lives
on a farm. It can run
but it can't jump.
