Sochi

- Sochi is the city of Krasnodar region, resort, summer "capital" of Russia. Sochi climate warm and comfortable. Sochi is one of the sunniest cities all over Russia. Sochi attracts thousands of tourists to its extraordinary location, climate and picturesque nature. This city is famous for the variety of flowering parks, Aquarium, circus, fun rides and water parks.

Sochi Park

- In Sochi there is a Park that attracts not only children but also adults. In this Park you will visit the rides fun and not only. I was there recently and I liked it very much. I rode all the rides and got a lot of experience. The first time I have swept on the American and waterslides and it was really funny. I suggest you to go to the Park with your family.
