

Aktobe – this is my city!

Aktobe is a city on the Ilek River in Kazakhstan. It is the administrative center of Aktobe Region. In 2013, it had a population of 371,546 people.

The name "Aktobe" comes from Kazakh "ақ" (white) and "төбе" (hill); the name is a reference to the heights on which the original 19th century settlement was located.
