Our Friends

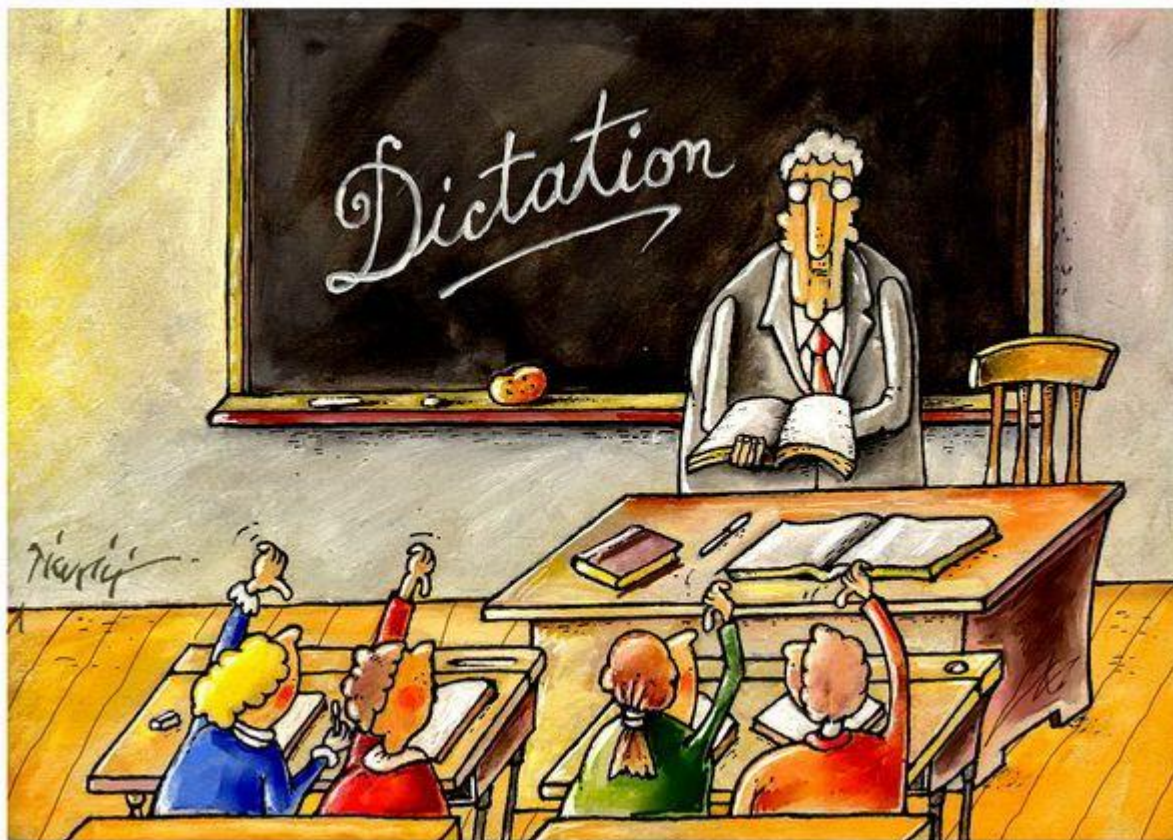

Lydia is my best friend and she's good fun. I usually go out with her at the weekend. She takes lots of photographs and she's interested in art. Her marks aren't very good because she's a bit lazy. She is untidy and she can never find anything! She's very funny and we always have a good laugh together.

My best friend is Grace. She's hard-working and very organised. Her homework is never late and she always gets up early and makes her bed! She gets good marks at school - I don't because I'm bad at studying! Sometimes she's angry when I'm late but she's usually patient and waits for me. Grace is kind and honest and I talk to her when I have a problem.

Ethan is my best friend. We often listen to music and we sometimes write songs together. I write the music and he's good at writing song lyrics. He's very funny and outgoing, he's never moody or shy. He's a great friend and I like him a lot.

My best friend is Rory. He's shy and some people think he is moody but I get on with him really well. When you get to know him, he's really friendly. He's helpful and he looks after my dog in the holidays. He's into music but he's not very good at singing. His bedroom is full of old computers - he's like a mad scientist.
