

The EARTH

THE EARTH DAY

*Da
y of
our
pla
net*

The Earth day is celebrated in April 22.
People celebrate it, because they know how
fragile the Earth is.

***The symbol
of Earth
Day you
can see
right now.***

• Символ Дня Земли

• Зелёная греческая буква Ω на белом фоне

Happy Birthday

If you want to save our planet, it isn't enough to celebrate this day. Protect and take care of it, keep clean!

HAPPY EARTH DAY!

it's my day!
